

**COMMUNITY ALERT
NOTIFICATION
LOS ANGELES POLICE DEPARTMENT
Northeast Division
S.L.O. Mark Allen & Nina Preciado**

***ATTENTION* Highland Park Residents. There has been an increase in auto thefts in the area.**

Over the past week there has been an increase in GTA(Grand Theft Auto). Most of the vehicles have been taken from the street and parking lots of local businesses. They have occurred in the late night/early morning hours. The vehicles taken continue to be the Honda and Toyota's. Please take a few minutes to make sure your vehicle is secure. Here are a few tips on how to prevent your vehicle from being stolen.

-Make sure your vehicle is locked and secured. If parking on the street, try to park near a light or high traffic area.

-Use something that immobilizes your vehicle such as a steering wheel lock or a cut out switch for the fuel pump. Northeast station is still offering "The Club" steering wheel lock for \$12.00.

Please contact our Detectives at (323)344-5757

For further information.

-Please report any suspicious activity such as someone looking into vehicles or trying car doors to see if they are open.

Together we can make a difference in our community
